

## Barbara Green

March 27, 1942 - August 28, 2022

Barbara Green went to be with her brother, Stephen Osman & parents, Haskell & Etta Osman on August 28th, 2022. She leaves behind her husband, Arnie, her sister Rhoda, her brother Allan, and three children: David, Jeffrey, and Alan - not to mention a slew of grandchildren, cousins, and friends.

Barbara was a proud Brooklynite, born in 1942 in the neighborhood of East New York. She worked as a school secretary, although she made it clear to everyone she knew that she was smart enough to be a doctor. Arnie & Barb were truly soulmates & partners in love & in life. They married in 1961 at the ages of 23 and 19, respectively. This Saturday, September 3rd, would have marked 61 years together. Together, they would go on to raise their three children in a strict but loving household. When Arnie was on the job, Barbara would fill in dutifully as little league baseball manager. Barbara was many things to many people, but at minimum, she was all of the below: A devoted & attentive mother (never without her trademark smock, AKA: shmata) who oversaw the transformation of three rambunctious boys into independent, successful men with families of their own. An unfailing wife to her husband, never leaving his bedside through years of grueling cancer treatment. She always made sure to make sure he was getting the care he needed and deserved - sometimes to the nurses' chagrin! A generous grandmother & bubbeh to 8 grandchildren, who remain filled with memories of her famous turkey meatballs and endless hugs & kisses. A protector & infinite source of strength to her friends, family & community. Nobody ever crossed Barbara or

her loved ones and came away unscathed! We love & miss her dearly, and hope that she's now enjoying endless Shark Tank and Law & Order marathons - the only things that could entice her to take even a moment's break from enriching all of our lives. Donations can be made in Barbara's memory to the Dementia Society of America.
