

Barry Marc Wuntch

May 16, 1959 - June 30, 2025

With full hearts and cherished memories, we celebrate the life of Barry Wuntch — a devoted husband, loving father, grandfather, uncle, cousin, friend, and proud Houstonian, who passed away on Monday, June 30, 2025.

Born on May 16, 1959, in Houston, Texas, Barry was the youngest son of Israel and Beverly Wuntch and the little brother to Ronald and David. As a child, Barry showed a sharp mind for numbers and a natural warmth that made everyone feel at ease.

Barry attended Bellaire High School before heading to the University of Houston and then to the University of Texas at Austin, where he graduated from the McCombs School of Business. During college, he joined the Sigma Alpha Mu fraternity, forming lifelong friendships that would enrich his life in every season. A proud Texas Ex, Barry carried his Longhorn spirit with him wherever he went — especially on game days.

After college, Barry passed the CPA exam and held his first accounting role at Weiner's Department Store. Shortly after, he founded his own accounting firm, where he served clients with dedication, professionalism, and heart for more than 35 years. Barry served the Greater Houston Chapter of Community Associations Institute as a Board Member for many years and also as a Committee Chair. Barry was meticulous, reliable, and always happy to lend

his expertise to help others succeed.

But it was his personal life that brought Barry his greatest joy. He met and married the love of his life, Judi, and together they built a beautiful life full of laughter, travel, and deep love. Barry was a devoted partner for 32 years — an amazing husband, supportive father, and doting grandfather. They enjoyed traveling, which always included golf throughout the U.S. and Europe. Barry coached and encouraged Brandon through every stage of life — from baseball fields to a successful career in commercial real estate, and now as a father and husband himself.

Barry loved watching sports — especially Longhorn football and golf — and loved sharing that passion with Brandon. He was an avid golfer, enjoying regular rounds at Wildcat with Charlie and also at Walden Golf Club. He loved spending time with special friends, Arthur, Doug, Darryl, Bob, Chuck, Brad, and many others.

Barry enjoyed spending time at the family lake house, where he kept an amazing collection of vinyl records. With music filling the air, the lake house brought him so much joy. He loved fishing and spending time with family and friends there.

Barry was a devoted member of Congregation Beth Yeshurun, where he found spiritual strength and connection. He treasured his lunches with Rabbi Strauss, where they spoke openly about faith, family, politics, and the ever-reliable ups and downs of Houston sports.

Barry found joy in the small, meaningful moments: teaching his granddaughter Lainey how to play chess, watching her make challah on Fridays with Judi, and eagerly awaiting the arrival of his grandson. His love for his family knew no bounds.

Barry is preceded in death by his parents, Israel and Beverly, and his brothers Ronald and David. He is survived by his beloved wife, Judi; his son, Brandon, and daughter-in-law, Marlie; his granddaughter Lainey; his soon-to-be-born grandson; sister-in-law Carolyn Massey and her four children Katie (Jeff), Alison, Genevieve, and Jones; sister-in-law Katie Wuntch and her three children Marcus, Zev, and Rachel; and his loyal dog Bash.

A funeral service will take place on Monday, July 7, 2025, at 10:00 am in the Sophia and Jack Bender Memorial Chapel at Beth Yeshurun Post Oak Cemetery, 7445 Awty School Lane, Houston, Texas 77055. A luncheon will immediately follow at Congregation Beth Yeshurun, 4525 Beechnut Street, Houston, Texas 77096. Shiva will be held that evening at 7:30 pm, in the Greenfield Chapel at Beth Yeshurun. All who knew and loved Barry are welcome to attend and celebrate the remarkable life he lived. The service will be livestreamed and available for viewing at the following link: <https://venue.streamspot.com/f8d04b5b>

Barry's legacy lives on in his family, in his friendships, and in the countless lives he touched with his kindness, humor, and generous spirit. May his memory forever be a blessing.

In lieu of flowers or gifts, donations can be made to Congregation Beth Yeshurun (www.bethyeshurun.org), in memory of Barry Wuntch, to the Houston SPCA (www.houstonspca.org), or to the Menninger Clinic (<https://www.menningerclinic.org/donate>).

“ *Barry was my 2nd interview after I graduated UH-Downtown in December 1995. I landed the job and a great boss in one fell swoop. He taught me to focus on not only the accounting details, but also the service to each one of his clients. "Always return the client information in better condition than you received it." He taught me many things that have made me a better person to this day. He also taught me the value of a good cigar, something I never would have tried in my life but for him. So tonight I'll light up a stogey for us to honor the great man that Barry Wuntch was.*

“ *It is hard to find the words to express how much Barry will be missed. He was such a great man and had the best sense of humor! Not only did I know him from his work as a CPA, I knew him as a friend from the 80's. He swore me to secrecy! I wish he had more time to enjoy his retirement and time with his beautiful family. Condolences to Judi and the entire family.*

“ I had the pleasure of meeting Barry in 2010 while managing a homeowners association in Katy, and we collaborated on filing a sales tax exemption for the association. I was fortunate to continue working with him until his retirement last year. I was deeply saddened and shocked to learn of his passing. Barry was always a delight to speak to and work with. My sincere condolences to his family.

“ Barry’s firm was recommended to our HOA for audit and tax work. I emailed the firm and received a call from Barry within 15 minutes. He was always very conscientious and helpful. A few years later I saw him at a CPE seminar. At lunch I asked if he watched any of the Sunday morning talk shows. He said he watched all of them! Sometime after that he began calling on his way to the golf course to talk politics. They were always great calls and I will miss them and Barry very much. He was a great friend.

It was always such a treat when visiting Doug's house and seeing his dear friend Barry drop by. Doug and Barry and Arthur were the three amigos and had a long, rich friendship. May fond memories comfort all who grieve — especially dear Judith.

Barry was considered a member of the Spector household. I remember when Doug, Barry and Arthur and other frat brothers went fishing in the Galveston tide. Those adventures were decades ago, and Barry's big smile always greeted me and continued over and over. Our family will cherish his memory as a blessing. This loss is profound. Barry was a special amigo.

Connie Spector Senter - July 04, 2025 at 06:16 PM

What a tremendous loss for anyone who knew Barry. He has held a special place in our family, being a best friend of Doug for decades. My heart goes out to all of his family and friends. May his memory be a blessing.

“ A neighbor shares.
I used to run into Barry every few days. We would walk our dogs together and talk politics, current events or sports. Barry always had a great smile and empathy for others. He was extremely well liked by everyone that knew him. He loved his Wife Judi, his family and Bash completely. I will miss him greatly and so will the community . So sad to lose such a good man .

“ Barry, you touched the lives of so many people. We shared many things in life such as our CPA professions and love for college football! We had our friendly battles regarding politics! Our love for our families leaves me sad as you had so much more life to experience. Barry, you'd have left us all too soon...you had so much more life to live! While I'm sad to see you leave us, I am happy to have had time to get to know you! Don't forget, debits still equal credits up there!!
