“ *Mr Bernard Rosenfeld your family were the first to welcome my family to the Braesheather community 56 years ago and we became an extended part of your family. My parents adored you. Thank you for allowing us to be part of your life. God bless you. Luis Soto*

“ *I lived a couple of door down from the Rosenfelds, and grew up with his daughters. I have many fond memories of my time at his house and all of them stem from his willingness to open up his home to others. I'm not of the Jewish faith, but besides learning to eat matzo crackers and drinking tea with milk, I lit a candle on a menorah as he explained about his faith. I'll miss his smiles and laughter. He was a good man.*
