“ Carla was so much more than a coworker to me and my family, she was a true friend. Outside of work, we shared laughter, long conversations, and moments that I will carry with me forever. She was there for me during some of my toughest times, offering kindness, understanding, and unwavering support. I have so many memories with her that it's hard to put them into words without tears, so today I simply want to say thank you, Carla; for the memories, for the love, and for being such an important part of my life. You will always hold a special place in my heart. May you rest in peace.
