“ I will miss talking to Dale when he calls to see how I am doing. I was looking forward to seeing them in the fall. May his memory be a blessing.

“ What a shock to lose Dale! We were friends through the Houston Area Traditional Dance Society and enjoyed many dances together over the years. Dale introduced me to volunteering for theater shows in Houston, and we got to see some wonderful productions that had either been on Broadway, or were headed that way. Lovely memories!
