“ Mine came today. I went to Clear Creek High School and graduated in 1992, where I played basketball. I saw David's post on Hank Bauerschlag from some five years ago. There is a plague of Hank in the George B Carlisle Field House, CCHS basketball arena. I was searching for David online this morning. Sorry for your loss.

“ David was a good man. I had the privilege of working with him for the last few years and talking weekly. He was a class act, with a tremendous sense of humor, and a kind heart. He impacted so many and will be missed.
