“ I moved to The Woodlands and went to work for Montgomery County in September of 1985. My office was in downtown Conroe, across the street from Conroe Furniture. My husband and I bought several pieces of furniture from Dianna, and as a result she and I became friends, meeting each other for an occasional lunch. I am sorry to hear of Dianna’s death — she was a wonderful lady and I was always confident that we were getting our money’s worth.
