

Dr. Norman Irwin Schneider

October 21, 1933 - December 2, 2024

It is with profound sadness that we announce the passing of Dr. Norman Irwin Schneider at the age of 91. Norman passed peacefully on Monday, December 2, 2024, surrounded by his loving family. Norman was born in Houston, Texas on October 21, 1933, to Samuel Max & Leeza Schneider and lived a life rich in love, service, and family.

Norman was a dedicated dentist in the Army and in private practice.

He met the love of his life Barbara Battelstein and it was love at first sight.

Norman always put an emphasis on education and graduated high school from San Jacinto High School in 1951, then attended The University of Houston. At age 19, he was accepted to The University of Texas Dental School and at the time was the youngest student accepted into the program. While in private practice he was invited by Harvard University to teach dentistry to Chinese scholars.

Norman was a student of history and life.

Upon retirement in 2008, he volunteered as a docent at the Houston Holocaust Museum. He served on the Houston Grand Jury and taught Sunday school at Beth Yeshurun.

Norman's legacy of kindness, dedication, and love will be cherished forever by those who had the honor of knowing him. He was a gentleman and a gentle man.

Norman's family never knew a day he did not call and say, "I Love You." A testament of his devotion to his family.

Norman is preceded in death by his parents and his two brothers (Dr. Joseph Gabriel Schneider (Carmen) & Theodore Schneider) and is survived by his loving wife of nearly 70 years, Barbara Schneider; his two daughters, Dana Lepow (Randall) and Dawn Aaron (Todd); his grandchildren, Morgan Rosenbloom (Matthew), Bennett Aaron (Amanda), Philip Lepow (Melissa), Garrett Lepow, Molly Aaron and great granddaughters Annie & Emmy Aaron.

“ *Dr. Schneider was my dentist for more years than I can recall. But more importantly, I met my future wife when she worked for him. And still going strong, 42 years later!*
