

Frances Bluma Leff

February 28, 1927 - June 22, 2019

Frances Bluma Zinn Leff, daughter of Elsie and Abe Zinn was born February 28, 1927 in Galveston, Texas. Sadly, she suddenly died at home on June 22, 2019.

Frances leaves her husband of 8 years, Bernard Leff, and is survived by her daughter Pamela Reingold and husband Alan, her son Mikel Leff and wife Robin, grandchildren Jamie and Toby Reingold and Erin Leff, her sister Esther Zinn, and Bernard's children Gary, Barry, Debra, and Greg Leff.

Frances was married to Charles Leff for a wonderful 62 years. They spent many enjoyable days playing golf and tennis at Westwood Country Club. After Charles died, Frances found a new soul mate and married Bernard Leff, Charles' cousin and lifelong friend. She was so fortunate to find love twice in her life!

We were blessed to have "Mamma" Frances for 92 years. In her earlier years, she was active in fundraising for cancer and leukemia research. In her later years, she had a very successful career fundraising for political candidates. Pictures of her with Presidents, Governors, Senators, and Mayors adorned her walls. In 2007, Frances was honored with the Political Pioneer award by the Houston Area League of Women Voters. She spoke with great pride of her success and accomplishments.

Frances was a beautiful and loving person. Her passion as a wife, mother, aunt, sister, and grandmother will be greatly missed. Her zest for life, her courage, and bravery will serve as an inspiration to all.

The family would like to thank Dr. Jennifer Meyer for her special care and understanding. In lieu of flowers, donations may be in memory of Frances to Jewish Family Service.
