

Frank Ladin II

October 2, 1940 - July 30, 2020

Family had a private graveside service.

Tribute Wall

LF

“*Sonny and i were really good friend during high school and college. We had great time water skiing in the summer. Sonny was a really nice person. Most of us lost contact with Sonny after he moved to California. When Sonny moved back to Houston, just saw him once or twice. He told me he spent his weekends studying the Torah. I miss my friend, May his sole rest in peace. Larry Frieden*
