

## Fred Sagor

September 28, 1948 - November 4, 2019

Frederick Isadore Sagor was born in Brooklyn, New York on September 28, 1948 to Marvin Joseph and Doris (Brownstone) Sagor.

"Fred", as most knew him, attended Penn State and earned his Master's degree in Computer Science. He worked for Texas Instruments and was working at Tom Thumb, as a cashier for the last 20 years before his passing. Fred married Constance "Connie" (Livingston) on November 1, 1975. They had one beautiful daughter together, Jennifer.

Fred was fun loving, a character and enjoyed being with friends. He picked the part-time job at Tom Thumb as a cashier, as he truly enjoyed being around people.

When their daughter Jennifer married Bryson, Fred was ecstatic. Once little Desmond came along, Fred's heart just overflowed with love.

On Monday, November 4, 2019, Fred left this Earth.

Fred's life will continue to be remembered by his wife, Connie of 44 years; their daughter, Jennifer and her husband Bryson; their beautiful grandson, Desmond; his parents, Marvin and Doris; his brother, Gregg; his sister Sheila, and many more relatives and close friends.
