

## Gabriela Lynn Bronk

December 23, 2006 - August 11, 2021

Gabriela Lynn Bronk, 14, passed away on Wednesday, August 11, 2021. Gaby was born on December 23, 2006 in Houston, Texas. Brilliant and passionate, Gabriela Lynn Bronk spent her short 14 years on this earth building loyal friendships with people of all backgrounds, religions, races, and gender. Injustice was painful and she could never tolerate bullying or the insufferable anxiety caused by one human being to another. To know Gaby was to love her because there was no question that she certainly loved you. And she never hesitated to let you know how much you meant to her. She was a beacon of sunshine on the darkest day and your closest companion who would always stop to listen. Nothing was more important to her than true friendship. Music, baseball, computers, her interests were varied and all-encompassing. When she committed to something, she was all in and everyone would hear everything about it. Every fact, every historical question and the challenge presented before her. First girl to play on Pershing's baseball team, MVP of her Bellaire Little League Team, stock market maven, self-taught musician of guitar and keyboard during the pandemic, this young woman was always striving to learn, live and love. Gaby was a native Texan and graduated from Pershing Middle School and Horn Elementary. She was preparing to enter Bellaire High School in the fall. She is tremendously loved and forever will be. She is survived by her mother, Jennifer - Joy Sutton (Sonny Smoyer) ; father, Robert Christopher Bronk; sister, Anna Bronk and many other loving relatives and friends. Everyone was a friend, just waiting for

the introduction. This is how Gaby saw the world around her and this is how she embraced life. A chapel service will be held on Friday, August 13, 2021, at 3:30 PM in the Bender Memorial Chapel at Beth Yeshurun Post Oak, 1037 Post Oak Road, Houston, TX 77055 with a graveside service immediately following.

“ Though we couldn't talk or be around each other much during quarantine, I still had the pleasure to be friends with Gaby during school, no one made my classes feel like hangouts better than Gaby. We spent almost all of our time together laughing, and joking around, even when we weren't at school Gaby was always doing something to make me laugh, I can't believe she is actually gone, I will miss all the memories we created together. May her life, and legacy rest in peace. May her family know that they have so much love coming from everyone through this tragedy. My condolences, Sammeya Robinson

“ I would like to thank Gabby for being apart of my life as her counselor and coach while at Pershing Middle School. It was a pleasure to have coached such a positive and spirited young lady. I will never forget her tryout. I asked her if she was in the right place and that softball was just on the other field. She looked at me.... smiled had one of the best workouts on the field as she made the Pershing Baseball Team as the *FIRST EVER* female player. She worked hard every game and not only made the team but played catcher and first base. She made sure to remind me that she was fully capable! I am so *PROUD* to have been her coach and Middle school Counselor!
