For those who knew our father, you know the following: He loved my mother (may she rest in peace) fiercely from the moment they met, both at the age of 17, after being set up on a blind date; He was gruff, sharp tongued and opinionated. Yet he was quick witted, quite funny and kind hearted; He didn't suffer fools well but had a soft spot for the underdog; Our mother was his best and quite possibly, his only friend and he would happily have it no other way; He LOVED his family -- parents, aunts, uncles, cousins, children, grandchildren and last but not least his son-in-law, Albert Ohayon: He spent the last 20 years mourning and missing our mother and now we are grateful, as we know they have finally been reunited to continue their amazing love affair. Schluff gezunt Daddy. We love you so. A graveside service will be held on Wednesday, August 31, 2022 at 12:00 pm at United Hebrew Cemetery, 3901 Washington Blvd., Halethorpe, Md.

“ I only met Gary and his son Jeffery once or twice through the years. Gloria and her daughters Cindy and Leslie, were the part of the Levin family that I knew, which was due to the fact that Cindy and my son were classmates. These three amazing women had the ability, each in their own unique way, to make a person feel very welcome and extremely important whenever that person was in their presence. So really, the only thing that I know about Gary is that he, because of these three ladies, was an extremely fortunate man. And the beat goes on Martha
