

## Harvey Stalarow

July 18, 1944 - January 30, 2023

Harvey Stalarow passed away on Monday, January 30, 2023, following an illness over the past year.

Harvey was born in Houston on July 18, 1944, the eldest son of the late Mildred & Marvin Stalarow. He was preceded in death by his wife, Shelly (Miller) Stalarow and was the proud father of Hilary and Staci. He is survived by siblings Gloria, Alan (and wife Debbie), Marcus and Norman (and wife Gail.) He also leaves behind numerous cousins and nieces and nephews.

Harvey was in one of the first graduating classes of Westbury High School. He went on to attend the University of Houston. He enjoyed a long career as an accountant and consultant. His career took him to many exotic places, and he loved seeing the world. He had a great passion for trains, working at Papa Ben's Train Place for many years and amassing a large collection of trains, while being a member of Houston N'Crowd. He loved his pets, especially his dogs who were his great companions up until the time he could no longer care for them. But his real pride and joy were his two daughters. He loved his time with Hilary and Staci, meeting for meals, having them over, and sharing his love for animals with them. He was proud of their accomplishments. And, the girls knew of the sacrifices their loving dad made to provide the best life for them. He was a wonderful father.

“ *I lived directly across the street from the Stalarow family for many, many years. I'm still friends with Gloria on Facebook. Harvey was a couple of years older than me and Gloria was a year or two younger. May Harvey rest in peace.*
