

Isaac Rothman

July 23, 1950 - November 17, 2023

Isaac Rothman, 73, died November 17, 2023, in his home in Spring, Texas, following a long battle with cardiac disease and diabetes.

For 34 years of his career, Mr. Rothman was a brilliant chemist holding over 200 patents and served as a Technical Director at Pall Corporation on Long Island.

Born in Ein Ayala, Israel and the son of Holocaust survivors, Isaac had many adventures as a boy together with his younger sister, Estee, before moving to the United States and starting his life with his wife, Jean, in Brooklyn and ultimately building his final home in Texas to be closer to his immediate family.

A graduate of Brooklyn College, Isaac took pride in everything that he did. From donating to his local synagogue to relentlessly providing love and support to his family, Isaac dedicated his life to caring for others.

Above all else, Isaac was an exemplary, husband, father, grandfather and brother, a lifelong learner, and made an impression on everyone he encountered.

Isaac is survived by his wife of 41 years, Jean, his daughter, Rina, his son-in-law, Nick, his granddaughter, Ava, and his sister, Estee.

A funeral service was held at 3:00 pm on Monday, November 20, 2023 at Forest Park - The Woodlands Cemetery, 18000 I-45 S, The Woodlands, TX, 77384.
