

## Jack H. Halpert

June 28, 1930 - October 16, 2019

Jack Halpert's fondest wish late in life was to make it to the age of 90 and see his first great grandchild at his bar mitzvah. Sadly that did not happen. Jack passed away October 16th 2019 just a few months short of his goal.

Jack was born and raised in New York, and was a life long Yankee and Giant sports fan. After graduating college, he served in the Korean War, then lived and worked in New York and Maryland during his long career with the government, before retiring to Florida and then settling in Houston about 20 years ago for the remainder of his life.

Jack married the girl of his dreams, Zelda, more than 64 years ago and the two of them forged a lifetime of lasting memories. Jack is survived by Zelda and his 2 sons Arthur and Michael, 5 grandchildren Matthew, Corinne, Jason, Kevin and Jeremy, and 5 great grandchildren Ian, Audrey, William, Claire and Lily.

You would find no one more thrilled than Jack that his life turned out to be so rich and so full of the best things in life, good health to the end while sharing his days with all his loved ones and seeing them live happy, fulfilling lives.

In lieu of flowers the family ask donations be made to [www.cancercures4kids.org](http://www.cancercures4kids.org)

# Tribute Wall

BE

“ *Zelda and family, we are sad to hear Jack is not with you any longer. We are praying for God's mighty arms to comfort you and give you much peace. Love always, Nathan and Belinda Nease*
