Jeffrey Eli Robinson passed away peacefully surrounded by his family on December 7th, 2023 after his fight with Cancer. Born in Richmond, Virginia on December 26, 1953, his family moved to Fort Worth, Texas in 1959 where he grew up. He filled everywhere he went with laughter and joy.

He was an avid sports fan, played golf every weekend, and enjoyed a couple of recurring poker games with his friends. He served for 5 years as Congregation Or Ami's first president, and served for many more years on the finance committee. The family would like to thank Family Caregivers of Houston for their love and care in his last couple of months. He was preceded in death by his parents, Irvin and Libby, and his daughter, Andrea. He is survived by his wife, Sharon, his daughters Courtney and Haley and her husband Brandon, his son Zane and wife Shannon, his brothers Barry and

Steve, his sister Stacy and her husband Darren, and his grandson Hudson.

“ Hi Sharon and family,  
I was saddened to hear of Jeff's passing. I valued our relationship, respect his accomplishments, but more importantly, consider him one of the few quality people in my life.

My relationship with you as a family has been limited to during our adult lives. Although I did renew my relationship with Jeff at family affairs, what you may not know is that we were great friends growing up while he was living in Richmond. I visited often and remember playing with him in his backyard.

Once those close bonds are made during childhood, they exist forever. To me, your husband and dad was an exceptional person. I will always remember his warmth and sincere sense of caring. He was accomplished in his career and promoted the value of education and hard work to his children, but from what I have seen, what you, Sharon, and he, passed along most to his children was quality personal character.

Please call on me anytime just to talk.  
Cousin Stuart
