“ *Jamie,
There's nothing I can say to ease the pain. I hope and pray that
Jeremy is now at peace. As a person who has known you for a long
time, you need to make peace with it yourself. I'm positive that the
little girl I knew from Stillwater was a fantastic mother (because you
learned from one of the best)! Cherish the time you had with
Jeremy. Live life to the fullest for you and Allan and for Jeremy.

“ *I worked closely with Jeremy at Texana. Helping others was a
priority for Jeremy, he took his job seriously and was always eager
to do well. He was an advocate for those diagnosed with Autism
and shared stories about his work with those individuals, especially
children. He will truly be missed.*

“ Nephew, of all the many blessings, great or small, to have had you for a nephew was the greatest one of all.
The family chain is broken now and nothing seems the same, but as God takes us one by one, our family chain will link again. ❤️
We love you,
Auntie Joey & Uncle Adam
