“ I have known Judd and the entire Phillips family for most of my life, and I am simply unable to process his passing.
A true friend who took the time to fly to Kenosha to attend my sister's memorial service so I wouldn't be alone..
A class act if there ever was one.
I feel quite sad for Marge having had to endure yet another tragedy, but the world is a better place because both of her sons were here.
And we sure did laugh a lot.
