

Kenneth Plavnick

November 3, 1935 - January 15, 2021

Ken was born in Wausau, Wisconsin on November 3, 1935 to Nathan and Gertrude (Bailin) Plavnick. He graduated from the University of Wisconsin-Madison with a degree in Pharmacy. At the age of 24, Ken purchased his first pharmacy. He then purchased several other pharmacies over years. He really enjoyed spending time with his children, even as they became adults and had families of their own. Family time was important to him, and he was blessed to be able to truly have time to spend with them. Ken retired at an early age and then founded a Pharmacy Buying Group. He and Marlene spent the winters in Florida every year enjoying their time with family and friends.

Four years ago, Ken and his wife Marlene moved to Frisco, Texas to be near their daughter, Cindy. It was a tough decision to leave all their friends in Milwaukee and Florida, however, they were blessed to have made so many wonderful friends in Frisco.

Kenneth Plavnick died on January 15th, 2021 with his family at his side. Graveside services were held at Restland Memorial Park in Dallas, Texas.

His life and legacy will continue to be honored by: Beloved wife, Marlene Plavnick; his children: Gary Plavnick, Jay Plavnick and Cindy Plavnick Rubin. He was the proud grandfather to Arielle Plavnick, David Plavnick, Lauren Plavnick, Lexi Rubin and Nathan Rubin.

In lieu of flowers, donations made to Chabad of Frisco (Ken Plavnick's Memorial) Rabbi Mendy Kesselman 12203 Foot Hills Lane, Frisco, TX 75035 (214) 460-7773.
