“ Na Na will always be remembered and loved by our family. She guided our family and showed me how to be a good wife and raise a family. Pa Pa, we will always be by your side, and we will tell future generations about our remarkable Na Na.

“ A beautiful lady that I had the pleasure of meeting at University Place. She loved her home town in Massachusetts and spoke of it often. She also loved Milky Way candy bars. It always warmed my heart to see her and Jerry. They were a beautiful couple and both spoke lovingly about their families. My thoughts and prayers are with Jerry and the family. I will think of her with fondness often.
