

Marcia "Marci" Weinstein

October 28, 1946 - March 9, 2024

Marcia "Marci" Weinstein, devoted wife, mother, grandmother, aunt, best friend and best sister, passed away suddenly March 9, 2024, at age 77.

Marci was born on October 28, 1946, in Toronto, Ontario Canada to her parents, Nesta and Harry Green, who both preceded her in death. She is survived by her husband of 57 years, Phillip, her children, Adam Weinstein and his wife Emily, and Amy Granoff and her husband Marc, her grandchildren, Zoey and Jules Weinstein and Noa and Mason Granoff, her sister, Rise Kogon and her husband Fred Ruf, and her nephew, Josh Ruf and his wife Lauren.

Marci was the honored matriarch and heart and soul of her family. This was her most revered accomplishment. She always prioritized nightly family dinners when her kids were young and continued that tradition when her children were older with their own families, creating the coveted weekly "Sunday Night Dinner". Marci was an accomplished chef and took great pride and joy in cooking. She was even featured with a full-page article in the Houston Chronicle for her traditional homemade gefilte fish. Passing on her recipes and traditions was one of the many important ways she spent time with her children and grandchildren, and they all loved spending time with her.

In addition to family, Marci was very involved in her community. She dedicated

countless hours to the Congregation Emanu El Sisterhood and served as their president. She also spent many years volunteering with Child Advocates as a board member and court appointed special advocate for children. Marci was recognized for the extraordinary impact that she made in the lives of the children she served.

Marci was an accomplished tennis player, former member of the Houston Oilers' "Love Ya Blue" fan club, and always a fashionista. Marci loved playing weekly Mahjong with friends and traveling with her husband at every opportunity. Over the years, Marci attended all four tennis grand slam tournaments: the U.S. Open, Wimbledon, the French Open and the Australian Open. Although Marci traveled extensively throughout the world, her favorite destination was Italy, where she thoroughly enjoyed the food, culture and beauty.

In lieu of flowers the family requests memorial donations to be made to OCRA – Ovarian Cancer Research Alliance, www.ocrahope.org, 11 Pennsylvania Plaza Suite 2100 New York NY 10122.

A private burial was held at Emanu El Memorial Park, which was followed by a memorial service on Tuesday, March 12, 2024 at Congregation Emanu El, 1500 Sunset Blvd., Houston, Texas, 77005

“ *Jordan and I send our deepest condolences to you all. Having spent time in Israel together, we got to know Marcia. Her warmth, humour and generous nature shone through. At Josh's wedding, we got to see her again, looking beautiful, kvelling with much love as she talked about her grandchildren. We hope that the loving memories of her bring you some comfort during this time. She was lucky to have a loving family and you were all lucky to have had her in your lives. Jordan and Melanie Hoffman*
