

Meg Rosenzweig

November 19, 1940 - July 7, 2023

Margaret Cynthia Rosenzweig, 82 years of age, died peacefully on July 7, 2023 in Sugar Land, Texas.

Meg, as she liked to be called, was born in Buenos Aires, Argentina and spent her childhood there before moving to the United States, finally settling down in Houston, Texas. She received her Bachelor of Arts and Master of Arts at the University of Houston.

A lifelong learner and teacher, Meg held various positions in public education—mainly in speech pathology and special education. She met a nice boy from Long Island named Joel and they were happily married on July 21, 1974. These soul mates were inseparable ever since. She retired in 2007 but continued to keep herself busy with hobbies and dedicated her time at Congregation Beth El, where she served on many committees.

Meg enjoyed the fine arts and was an accomplished artist. She spent her time reading, playing games, going on cruises with her family, researching history, and watching an occasional movie or Golden Girls marathon on the Hallmark Channel. A lover of all animals, Meg was particularly fond of dogs and throughout her life, rescued and adopted many of them for companionship.

She was devoted to her family and friends in the community. Her happiest and

proudest moments were spending time with her three grandsons, with whom she was very close.

Meg was preceded in death by her parents Richard and Marguerite Claghorn, brother David, sister Louise, and her loving husband Joel. She is survived by her son Richard and his wife Courtney and her grandsons Daniel, Aiden, and Quinn.
