“ May her memory always be a blessing as it is too me. I met Denise and Jacques many years ago. I was just a child and our families met as new imports to this country. I remember childhood dinners with them and she was a dear friend to my Mother. I was so saddened to read this . She was a kind, loving and generous soul and the world is a lesser place without her. Even though it has been many years we will always remember her fondly.. thank you Denise for the love that you shared with us...from the Dobarganes Family
