“ Our deepest condolences to the Landis family. Vicki and I are heartbroken to hear of his passing. Michael took care of our family for over thirty years. I only learned of his passing while pondering a financial matter and I wondered, what would Michael advise? I did a simple web search to see if he was still active only to discover his obituary. We met often over lunch to discuss our financial plan and adjust as needed. As the rabbi mentioned, Michael always picked up the check. Thank you, Michael, for everything you did for us.
