

## Michael Alvin Wolf

June 6, 1958 - May 6, 2024

Michael Alvin Wolf, 65, passed away peacefully on Sunday, May 6, 2024, at his home in Missouri City, Texas, after a short, but hard-fought, battle with pancreatic cancer. Michael was born on June 6, 1958, in Houston, Texas, and spent his entire life as a proud, native Houstonian.

Michael was a devoted family man and cherished his time with his loved ones. When he wasn't spending time with his wife and three kids, he worked passionately as a car sales manager at Sterling McCall Toyota for nearly three decades. Michael treated his dealership as a home away from home with countless friends who are now considered family. Michael and his family were members at Congregation Beth Israel.

Michael was preceded in death by his parents, Herman and Betty Wolf. He is survived by his loving wife, Shari Wolf; his children, Ashlee, Justin, and Matthew; his brother, Phillip; and numerous uncles, aunts, cousins, nieces, nephews, and many other friends and family members who will miss him deeply. The family would like to express their deep appreciation to the Hospice team for their dedicated care and efforts.

In lieu of flowers, friends and family are suggested to consider donations to Project Purple in efforts to support the fight against pancreatic cancer. To learn more, please visit: <https://www.projectpurple.org/ways-to-give/>

The funeral service was held on Wednesday, May 8, 2024 in the Proler Chapel at Congregation Beth Israel Memorial Garden officiated by Rabbi David A. Lyon and Rabbi Adrienne P. Scott.

“ I just heard the news and am so incredibly sorry! Michael sold me my first car in the early 90's and my kids and I have only bought cars from him since! I loved talking with him and sharing stories of our children. He was so proud of them. We have lost an amazing person! Diana Kearns

“ I just found out about this sad news. Michael was a friend for the past 20 years. My friend Sterling McCall introduced us and I always appreciated our friendship. He will be missed. He was a good man who always talked about his family. May God bless him and the entire family. Steve Lufburrow

“ Please accept my condolences. I missed the funeral because I did not hear of Michael's passing until after the funeral. I knew Michael when he worked for Spritzer Furs in the Galleria. I owned Southern Fabrics, also in the Galleria. In 1998 I closed my store and went to work for Group 1 Automotive starting at Sterling McCall Toyota where I saw Michael. I worked there a short time before moving to Sterling McCall Lexus. I would call Michael if I had a Toyota customer and he would call me if he had a Lexus customer. We talked often about business and about family. He was a Mensch. I will miss him. Gunter Frankel
