

Myrna Litten

September 28, 1933 - April 25, 2019

Our beloved Mom has passed on and will hold a very special place in our hearts forever. She is loved and will be missed greatly. Mom was a very giving and loving individual who truly adored and cherished her family.

Her wish was to reunite with her beloved husband and parents, Dave and "Bebe" (Reba) and her brother "Buddy" (Bernard); fur-babies: Munchkin and Studley.

She will lie next to her husband, Arnold Litten, in Sunny Florida, who she shared 49 years together.

Mom's life will continue to be honored and remembered by her three girls: Shelly (Michele), Mindy and Judy and their respective spouses, Don and Stuart; her grandchildren: Rob and fiancée Amanda, Rick and wife Ginger, Daniel, Rachel; great-grandson: Grayson; and fur-babies: Bentley and Hamilton.

May she finally be at peace and cross over the rainbow where we all will reunite in the future.

We love you and may you find peace and happiness watching over us from above.
