“ To Patti's family - Patti was an enthusiastic participant in Power For Parkinson's in the Lakeway area, we loved her and will miss her so much! She would sit in front of the exercise class each week, looking so beautiful and matching from her head to her shoes. We admired her energy and how she would invite other residents to the class. She really made the class fun and she will be missed. Love to all!

“ Dear family,

I'm so sorry to hear of your Mother's passing. I regret that I fell out of touch with dear Patti, after partnering with her as Reading Specialists for FBISD. She was a devoted teacher and friend. I have such fond memories of working with her and hearing her speak of how much she loved her family. She invited me to your wedding, Lori. It was such a beautiful event and she was so happy and proud of you. I attended your Father's funeral as well. She was so strong. I'm so glad I told her that I loved her that day. She will be missed, but her legacy lives on through you and her family. May you feel God's comfort and peace surround you. May her memories remind you of her laughter and everlasting love. She touched us all in powerful ways.

Sincerely,

Camille Spoonts
