

## Regan Katz

December 10, 1981 - October 22, 2024

Regan Katz, a woman of extraordinary beauty, intelligence, and strength, passed away unexpectedly this week. Known for her loyalty, dependability, and fierce dedication to those she loved, Regan was not just a friend or partner; she was the kind of person who made you feel truly seen, known, and cared for.

To those fortunate enough to know her, she was a best friend, a confidante, and someone you could always trust with your deepest truths. She had a way of breaking down walls, becoming the first person you could never hide anything from. Regan made you rethink even the most steadfast promises to yourself, changing lives just by being in them.

The joy of calling her “Katz” was immense—a name that echoed countless cherished moments. Her birthday, shared with that of her mother-in-law, felt like a cosmic bond, a reminder of the deep connections she made in the lives of those around her. There was always a sense of protection and care in her presence, as if she was constantly watching over the people she loved.

Despite life’s challenges, the essence of Regan’s spirit and the impact she made will forever linger. Her light will be deeply missed by all who knew her, but her impact, her love, and her loyalty will live on forever in the hearts of those she touched. She was a guardian angel, a radiant light, and her

absence leaves a void that can never be filled. She will be endlessly remembered, deeply missed, and eternally cherished.

A graveside service took place on Thursday, October 31, 2024, at Beth Yeshurun Allen Parkway Cemetery, 3502 Allen Parkway, Houston, Texas, 77019.
