

Rochelle "Shelley" Shelton

April 20, 1961 - November 16, 2018

Rochelle (Shelley) Anne Marcoe Shelton, April 20, 1961-November 16, 2018.

Shelley left us far too soon. She was a loving daughter, supportive sister, devoted wife, & loyal friend. She was a kind, sweet, loving, & generous spirit. She loved animals, especially her cat ??!!! Shelley was talented, enjoying her arts & crafts, while creating beautiful albums to preserve cherished memories for people she loved. All Shelley ever wanted was to be loved & accepted for who she was. She truly did the best she could in this life. At times life seemed to be too much for her, yet she dedicated her time to helping those who struggled as she did. Shelley always thought of others first. Amidst the highs & lows of life she tried to be a light & an instrument of G-d's peace in this world. She embodied the spirit of love, forgiveness, faith, hope, & joy as best she could. Shelley was an understanding & compassionate person. She understood that it was in giving that we receive, by forgiving that we are forgiven & now it is in dying that she finds the peace she yearned for. She now joins our father, Malcolm, & brother, David, two people she loved dearly.

Shelley, we will miss you, but your loving, gentle spirit will always remain. We love you.

“ Shelley was my former daughter-in-law many years ago. We still kept in touch and I talked to her on the phone several times. She was a beautiful person and a very loving person. She was "special" and I loved her very much. She sent me a Thanksgiving card and I Called her to thank her and she made no mention of not being well. I was going to go to Houston to see her but my plans didn't work out. She will always be in my heart. May God bless her and may she R.I.P. <3 My heart is broken . I will always love you Shelley. <3
