“ I'm sad to hear that Aunt Rosalie passed away. I wish somebody would have called my mom so we could have gone to her service. Rest in peace.

“ I have known, Rosalie, for many years, as a volunteer at 7 Acres and the Medallion, she was a delight ful and sweet lady. I also knew her late brother and sister -in -law, Sylvan and Eva Dublin,as they we're residents of 7 Acres, as well as her late cousin, Marilyn Halpin.

“ Please accept my deepest sympathy for your loss. I have wonderful memories from the time we lived on Dewberry Street. Riding our bikes, roller skating and playing on the street with the Holland, Denenberg and Blum families. Elaine (Dannenbaum) Kapell

“*Rosalie was such a shining light. Her grace and kindness came naturally. I will cherish our lunches, countless conversations and all the beautiful letters (such perfect penmanship). Max and Rosalie shared their family traditions with my late husband and me. So many beautiful memories of this sweet lady sharing her life stories and the latest news of her children and grandchildren each time we connected as she was so very proud of each one of them. May she rest in peace.*”

“*How lucky I am to have had Grandma in my life for so many, many years. Growing up, she and Grandpa were at every one of my birthday parties. It wasn't until I was an adult that I learned how rare and special that was. I treasure the memories of playing Yahtzee, lining up in age-order for cousin photos in front of the fireplace, sharing Chanukah and Passover traditions (including her homemade matzah balls...never from a box), and crafting countless sewing projects during my visits and sleepovers. But most of all, I will remember Grandma's emphasis on the importance of writing thank you notes. It was very important that I send Grandma a thank you note for every gift she gave me - whether it be for birthdays, Chanukah or graduation. If she didn't receive a thank you note in a timely manner, she would call to remind me to send one. Thanks to Grandma, the virtue of feeling and showing gratitude is part of me forever, and I have tried to instill that same lesson in my own daughters. This is just one example of Grandma's enduring, beautiful legacy. She is so loved and will be very missed.*”

“*Rosalie has always been very special to me ... much more than a mother-in-law ... I will miss her sweet annual birthday cards and the stories she would tell me from her fabulous memory going back 50+ years ... her memory was better than mine til it started wavering in recent years. She was a kind lady and as beautiful on the inside as the outside. May she RIP. Sending Lots of Love and Sweet Memories to the family.*
