“ The best way I can describe Sam is "Chesed" this is Hebrew for kind.

*He was always kind to people, and he would always go out of his way to help someone.*

*Sam had mad skills on a bicycle. When I was a kid I saw Sam riding a wheelie down the Braes Bayou path for miles.*

*I always bragged to my friends how my Uncle Sam was the best BMXer in the world!*

*The one thing I will never forget! When I was 7 years old I was threatened by a little Nazi kid with a slingshot just for being Jewish. He threatened me while pulling the slingshot back with a ball bearing shot loaded while saying he was going to "kill me and that I was a dirty Jew". Thankfully he didn't shoot me, but he put an everlasting fear into me. I didn't want to go outside anymore I was terrified.*

*Well Uncle Sam a few weeks later came over to visit us. He had a great relationship with my father May He Rest In Peace. They were pinball wizards.*

*I told Sam about this kid, and how scared I was. Sam to the rescue. He beat on the kid's house door, got the kid outside. Sam screamed at him "If you ever lay a hand on him he was coming with all his friends to beat him up!" Needless to say I never had an issue again.*

*Sam was my hero. I told him this story 2 years ago, and to his knowledge he didn't remember. I never forgot, and never will!*

*To my Uncle Sam you will never be forgotten, and I will pray for you as much as I can. Hashem took you for a reason, and it's only for the good. Rest easy and keep riding those wheelies straight up to heaven.*

*Always will love you,*

*Nephew,*

“ *Sam was the coolest uncle you could ever have. I will always remember how he called me "Feeda"!!! I loved him so much and the memories we had growing up with the family and our "country names" (Cletus) . You will always be in my heart and memories. I love you Sam . Please Rest In Peace. My heart is broken forever. Love Forever Freyda*

“ **CORRECTION:**  
*SAM did NOT pass at his parents grave site.  
Sam did NOT pass at Gary D. gravesight.  
I know Exactly where Sam was.  
I know Exactly who he was visiting.  
I know Exactly the Act of Kindness he was doing when he passed.  
I know Exactly where he was found laying and the position of the body.  
BECAUSE I LOVE SAM, I INVESTIGATED and I found The Truth !  
And the Correct date is  
October 13, 2021  
Pronounced deceased at 5:24 pm but passed before that time.  
Sometime after 2:43 pm after we last texted.

“ *Sam Fallas was born June 11, 1963. Sam was genuine, down to earth, kind, giving, loving and nurturing. He loved fishing, bike riding and could do the longest wheelies when he was young. He enjoyed crafting items the most. Sam was extremely funny, adventurous, loved to cook and helped many people in different ways. Sam could do or make anything all by himself. He was very street smart, always aware of his surroundings and nurturing to others. Sam visited and cleaned his parents grave till the day he died, literally. He always wanted things done the right, legal and fair way and always stood his ground and fought for what he knew was right. Sam will be remembered and missed by many people. In many ways Sam was like an angel who made people feel wanted with no judgement. He had the warmest heart, the best hugs and the best smile.*

*Sam passed away Wednesday around 5-5:24pm October 13, 2021 while cleaning his parents' grave as he did every other week.*
